

Product Name :
Hickory Shaft Sledge Hammer

Product Code :
HAND-HAM52001

Description :

Hickory Shaft Sledge Hammer

Technical Specification :

The paint of the sledge hammer with hickory handle is long-lasting. Because the walnut has moderate weight, moderate hardness, and even wood fiber, it can meet the stress condition of the sledge hammer. And hickory is lighter, is easy to process by hand and machine tools, suitable for nailing, auger drilling and gluing. It can keep paint and dyeing for a long time, and can be polished to a special final effect.
